13
14 Contemporaneous with this motion, the government is filing its Court-ordered
15 response to Defendant Anthony Tyner's motion for compassionate release, ECF No. 41.
16 The response refers to Government's Sealed Exhibit 1, which includes Tyner's medical
17 records that undersigned counsel obtained from the Bureau of Prisons, and which the
18 government believes will assist the Court in evaluating Tyner's motion. Because the records
19 contain private medical records, we believe they should be filed under seal and remain
20 under seal. The government therefore requests leave to file that record under seal.
21 Undersigned counsel will serve the sealed exhibit on defendant's counsel via email.
